

Employer Information Session
ComIT + Skip the Dishes
Monday 15th January 2pm Client Lounge

Are you Technically Minded?

Build your Future

LEARN TO CODE at the CODE ACADEMY

ComIT and Skip the Dishes are teaming up to provide an innovative solution to the problem of finding employment in IT. Through the Code Academy you can learn to code, increase your professional development capabilities and face the labour market **head on** with in demand skills.

There is no cost to you for this training opportunity!

Want to find out more?

Join us at Manitoba Start

Interested candidates must **pre-register** for the session by Thursday 11th January by emailing jmu@manitobastart.com with subject line:

“Code Academy Registration”
