Job Title

Production Line Worker

Job Description

We are currently looking to hire Production Line Workers for our facility located in Teulon, Manitoba. This is a seasonal opportunity, with varying shift requirements but Transportation to and from Winnipeg is provided.

Northern Goose Processors is a traditional processing plant. We are advocates of good agricultural practices that ensure high standards of food safety and quality from farm to table. We adhere to morally sound policies and best practices that apply to all aspects of how we conduct business; beginning with where its product is sourced, and how all the product is farmed and processed, to the professional and fair treatment of suppliers and customers.

Devoted to quality and the satisfaction of our customers; each employee will perform duties in accordance with industry specific regulations such as: The British Retail Consortium (BRC), Hazard Analysis Critical Control Points (HACCP), Workplace Hazardous Materials Information System (WHMIS), Good Manufacturing Practices (GMPs), Standard Operating Procedures (SOPs), conforming to quality standards, performance expectations and documentation, workplace health and safety policies and procedures.

Qualification Requirements

- Grade 12 education an asset.
- Good communication skills, able to speak and read English an asset.
- Have knowledge of food safety, GMPs, safety polices an asset.
- Experience working on a production line.
- Have a strong work ethic.
- Exhibit a positive attitude and a willingness to learn.
- Has the ability to work alone and in a team.
- Focus to detail and accuracy.
- Physical ability to stand for long periods of time.
- Able to adapt to a range of temperatures from -28 to 30 degrees Celsius.

If you feel you would be the right candidate for this position please submit your resume by email to danielle@northerngoose.ca or Kyle@northerngoose.ca
We thank all applicants, however, only those under consideration will be contacted.
