

Winkler Meats was established in 1964 and is continually growing and rapidly expanding. Winkler Meats is a federally inspected abattoir regulated by the Canadian Food Inspection Agency and the HACCP program. Our processing is held to the highest standards ensuring a high quality and gluten free product. Sold across Western Canada in a variety of chain and independent stores, you can find our label served in quality restaurants across the country.

Packing Lead Hand

We are a rapidly expanding company dedicated to high quality, healthy products to serve our customers. Presently we are looking for a highly motivated individual to assist in leading our packaging team. This individual would require the following skills and abilities:

- Efficient with a high degree of organizational skills
- Strong proven supervisory or leadership skills
- Problem solving and technical abilities
- Good oral and written communication skills
- Good understanding of workflow in a production setting
- High attention to detail and Quality in product production
- Good change management skills
- Enjoy working in a high stress environment
- Ability to work in a fast paced, cold environment
- Ability to stand for long hours

The position comes with overtime expectations as needed. Benefits are available after 3 months.

Salary will depend on the experience of the individual.

If you are energized by challenging work and feel that you have the skills and abilities outlined above, please send your resume to Virginia Friesen at: HR@winklermeats.ca

Closing date for applications is August 3, 2018.

Only those being considered for interviews will be contacted.
